

AWARE

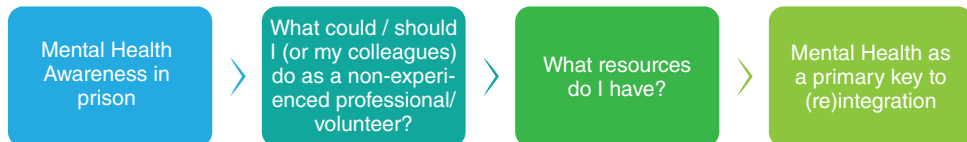

Mental Health Awareness in Criminal Justice

Invitation

Join us on a learning journey on how to **support prisoners with mental health issues.**

You will have access to the AWARE Study Manual and other resources, engage in group discussions and participate in **weekly webinars on the following themes:**

The AWARE training on mental health awareness in prisons **kicks off on Thursday November 5th.**

To whom is this training addressed? Prison staff, probation services, civil society organisations and volunteers who work with former prisoners.

Where does the training take place? On the AWARE Community of practice on EPALe.

Already registered? Join the community of practice [here](#).

Not yet registered? Create your account on EPALe [here](#) and then join the AWARE community of practice.

 For more details on the project visit our website at: www.aware-project.org
